BURLINGTON VT – Art's Alive Presents Two Photographers: Rick Jasany & Kevin Morin. There will be an **Artists' Reception** during the **First Friday Artwalk** on March 2, 2012 from 5-8pm. Jasany's exhibit will be featured in the Main Street Lobby of Union Station. Jasany's photographs are not bound by any one defining theme but tend to gravitate toward lone figures in unconfined spaces, surveying the scope and reflecting on the beauty of their surroundings, or simply lost in thought. Morin's exhibit will be featured on the lower level of Union Station and features ten recent photographs of both rural and urban landscapes of his native Vermont as well as still life and other subjects.
